

Pivotal Vision[®], LLC Chooses System Solutions to Represent Intelligent Surveillance Product Suite for Midwest Region

Minneapolis, MINNESOTA (June 1, 2009) — Pivotal Vision, the developer of ScadaCam[®] Intelligent Surveillance Systems, today announced its partnership with System Solutions to represent the product suite in the upper Midwest sales region. The Minnesota-based company will focus on providing Pivotal Vision's automated surveillance solutions to both commercial and government markets, including utilities, prisons, airports and waterworks.

"System Solutions has built a reputation for innovation and excellent customer service and we're happy to have them representing ScadaCam to their clients, said Jerry Larsen, Chief Operating Officer for Pivotal Vision. "Having well-established firms like System Solutions join our sales representative network gives our product strong backing and affirms its value to the markets they serve."

About Pivotal Vision

Pivotal Vision is a leader in intelligent surveillance technologies for security and operations in critical infrastructure industries. Pivotal Vision develops and markets its ScadaCam Intelligent Surveillance System, the most technically advanced monitoring software available.
