

Pivotal Vision[®], LLC chooses ResourceCorp to represent Intelligent Surveillance Product Suite for South Central Region and Mexico

Minneapolis, MINNESOTA (May 19, 2008) — Pivotal Vision, the developer of ScadaCam[®] Intelligent Surveillance Systems, today announced its partnership with ResourceCorp to represent their product suite for the south central U.S. sales region and Mexico. The Dallas, TX based company will focus on providing Pivotal Vision's automated surveillance solutions to both commercial and government markets, including utilities, prisons, airports, and waterworks.

“We're excited to have ResourceCorp as a partner,” said Jerome Larsen, Chief Operating Officer for Pivotal Vision. “They've built a reputation for innovation and excellent customer service and we're happy to have them representing ScadaCam to their clients. Having well-established firms like ResourceCorp join our sales representative network gives our product strong backing and affirms its value to the markets they serve.”

About Pivotal Vision

Pivotal Vision is a leader in intelligent surveillance technologies for security and operations in critical infrastructure industries. Pivotal Vision develops and markets its ScadaCam Intelligent Surveillance System, the most technically advanced monitoring software available.
