

Pivotal Vision® , LLC chooses SVC Marketing Inc. to represent Intelligent Surveillance Product Suite for the Great Lakes Region

Minneapolis, MINNESOTA (April 30, 2008) — Pivotal Vision, the developer of ScadaCam® Intelligent Surveillance Systems, today announced its partnership with SVC Marketing Inc. to represent their product suite for the Great Lakes region of the U.S. The Ohio-based company will focus on providing Pivotal Vision's automated surveillance solutions to both commercial and government markets, including utilities, prisons, airports, and waterworks.

“We're excited to have SVC Marketing Inc. as a partner,” said Jerome Larsen, Chief Operating Officer for Pivotal Vision. “They've built a reputation for innovation and excellent customer service and we're happy to have them representing ScadaCam to their clients. Having well-established firms like SVC join our sales representative network gives our product strong backing and affirms its value to the markets they serve.”

About Pivotal Vision

Pivotal Vision is a leader in intelligent surveillance technologies for security and operations in critical infrastructure industries. Pivotal Vision develops and markets its ScadaCam Intelligent Surveillance System, the most technically advanced monitoring software available.
