

Pivotal Vision[®], LLC chooses SeeVid Inc. to represent Intelligent Surveillance Product Suite for the Western Region

Minneapolis, MINNESOTA (March 6, 2008) — Pivotal Vision, the developer of ScadaCam[®] Intelligent Surveillance Systems, today announced its partnership with SeeVid Inc. to represent their product suite for the western U.S. sales region. The California-based company will focus on providing Pivotal Vision's automated surveillance solutions to both commercial and government markets, including utilities, prisons, airports, and waterworks.

“We’re excited to have SeeVid as a partner,” said Jerome Larsen, Chief Operating Officer for Pivotal Vision. “They’ve built a reputation for innovation and excellent customer service and we’re happy to have them representing ScadaCam to their clients. Having well-established firms like SeeVid join our sales representative network gives our product strong backing and affirms its value to the markets they serve.”

About Pivotal Vision

Pivotal Vision is a leader in intelligent surveillance technologies for security and operations in critical infrastructure industries. Pivotal Vision develops and markets its ScadaCam Intelligent Surveillance System, the most technically advanced monitoring software available.
