

## **Pivotal Vision<sup>®</sup>, LLC chooses Source AV to represent Intelligent Surveillance Product Suite for Canada**

Minneapolis, MINNESOTA (March 20, 2008) — Pivotal Vision, the developer of ScadaCam<sup>®</sup> Intelligent Surveillance Systems, today announced its partnership with Source AV to represent their product suite in Canada. The Toronto-based company will focus on providing Pivotal Vision's automated surveillance solutions to both commercial and government markets, including utilities, prisons, airports, and waterworks.

“We're excited to have Source AV as a partner,” said Jerome Larsen, Chief Operating Officer for Pivotal Vision. “They've built a reputation for innovation and excellent customer service and we're happy to have them representing ScadaCam to their clients. Having well-established firms like Source AV join our sales representative network gives our product strong backing and affirms its value to the markets they serve.”

### **About Pivotal Vision**

Pivotal Vision is a leader in intelligent surveillance technologies for security and operations in critical infrastructure industries. Pivotal Vision develops and markets its ScadaCam Intelligent Surveillance System, the most technically advanced monitoring software available.
